The Bill, as passed by the Lok Sabha, is already with the hon. Members The Select Committee earlier went exhaustively into the various provisions of the original Bill and also recorded evidence from some of the representatives of the industry. The various recommendations of the select committee has been incorporated in the Bill. In addition, the wishes expressed by some of the Members of the Lok Sabha have been incorporated in the Bill. The difficulties of small growers have been appreciated and the major portion of the acreage of rubber cultivation is held by the small growers. Proper representation to these small producers of rubber will be given. The labour representatives in the Board have been increased from three to four. The labour representatives will be selected from out of the panel of names submitted by the respective associations an important provision has been made in the Bill to enable the Board to take steps to secure better working conditions for workers engaged in the rubber industry. The present production, of rubber is about twenty thousand tons a year, the demand is increasing every year, while the supply is not keeping pace with the demand. It is proposed to fill up the gap over the short period by importing rubber. The Bill, when passed would enable the Board to import rubber and a provision has been made as to how any profits that are made out of this import of rubber should be utilised. To increase the, production of rubber, it is proposed to take up the development scheme. The details of which are being worked out. It appears that at present the small grower is at a great disadvantage, as far as the marketing of his rubber is concerned. This problem is rather difficult to solve However, provisions have been made for the Rubber Board to take up marketing of rubber also. It is hoped that the new Board will be able to tackle the problem of the small grower of rubber industry successfully. The Rubber industry is now a big industry in India also.
